

EMT Academy / Paramedic Pathways Program Orientation Sessions

A comprehensive overview of the EMT Academy for the Fall of 2011 (Class 9) will be held as noted below. These sessions are intended for prospective students (**Juniors**) and their parents / legal guardians to attend so as much information as possible, about this program, can be delivered.

During these sessions we will address all aspects of the program from EMT-B in grade 12 through an Associated Degree at Howard Community College for those interested and eligible.

April 5, 2011 6:30 p.m. ARL Room B37

April 7, 2011 6:30 p.m. ARL Room B37

May 5, 2011 6:30 p.m. ARL Room B37

For those interested we ask that you RSVP to Ken Brown, EMT Academy Program Coordinator at: kbpts@aol.com as soon as possible so appropriate arrangements can be made. **You need only attend one of these sessions.** It is expected that these sessions, depending on the number of questions, may last approximately 90 minutes based on prior years experience.

Address:

Applications and Research Laboratory (ARL) **Room B37** (make a right when you enter the lobby)
10920 Route 108
Ellicott City, MD 21042

Teachers, Principals and Guidance staff from all schools are all invited.
